### Snow Shoveling Reminder

Snow and ice that remains on sidewalks is hazardous for everyone, but especially for people with limited mobility. Uncleared walkways also make it difficult for people who deliver services in our Town—mail carriers, meter readers, delivery drivers, firefighters and paramedics. That is why the Traffic Bylaw requires that you clean the public sidewalks surrounding your property by removing all ice and snow. You are permitted a time frame of 24 hours after a given snowfall; however, homeowners cannot let snow or ice accumulate on their sidewalks during continuous snowfalls for multiple days at a time. When you remove snow promptly after a snowfall you play an important role in keeping our Town moving safely in difficult weather. If necessary the Town can issue a fine for non-compliance or the Town may remove the snow and invoice for such work.

**E-transfers**—For those residents who utilize e-transfers as a method of payment please be advised the email address to use has now changed. Please use [nelsons@stavely.ca](mailto:nelsons@stavely.ca) for all future e-transfers.

For any questions or concerns regarding these notices or anything else please contact the Town Office @ 403-549-3761.

**HAPPY NEW YEAR EVERYONE AND ALL THE BEST IN THE COMING YEAR—FROM THE COUNCIL & STAFF OF THE TOWN OF STAVELY!**

Stavely School would like to thank B&B Energy Services for repairing some gym storage equipment. Thanks for the great job and quick service. We are so fortunate to have this business in our community.
