Join us for a celebration of “All Saints at All Saints”

*A historical Liturgy according to the Book of Common Prayer

Join the Rev. Jack Schulze and the Rev. Brent Schulze; and members of the community outreach committee of the Canadian Northern Society as we honour our Saints and departed Souls with music and the blessed prose of a traditional Holy Communion Service, in a heritage Church. Everyone is invited to bring a framed photo of departed loved ones that we will honour.

ALL ARE WELCOME!

Following the Service there will be coffee, tea, and refreshments.

This is a fundraising event and donations are welcomed for the continued preservation of All Saints Anglican Church, now property of the Castor and District Museum Society.

Bylaws

Did You Know...

Under Traffic Bylaw 999, recreation vehicles and trailers cannot be parked on any street in Castor. The only exception to this is while the vehicle or recreation trailer is being loaded or unloaded, and it must be moved immediately after. Extension cords are not to be placed across sidewalks or driveways. Have a look on the Town of Castor's Website for complete details on this or any of our Bylaws.

Remember, heavy vehicles on our residential streets cause damage to our paved infrastructure. Let's all do our part to preserve what we have.

Stay Informed....

For more information on this or any other bylaw please feel free to call or stop by the office with any questions you may have.

Development Projects

Are you planning a fall project — deck, driveway, some landscaping? Call or stop in and see us. We can work with you to make sure you have all the information you need before work starts.
