## President's Report

Comrades

We are heading into the dog days of summer. July was a bit quiet in comparison to other months, but we still had things happening. The parade was the largest I have seen, and our Colour Party sure stood out thanks to our members Neil Zebinski, Wayne Bird, Brian Wilson and Glen Kozan. It was hot, but they made it through the whole parade route. Great job.

Thanks to the great crew for another successful beef on a bun.

Things that are on-going:

Sea-can replacement: waiting for engineer's specs and diagram

Banners: waiting for Hydro's approval

Dufferin Memorial: waiting for Red River Planning board to approve rezoning.

We will keep you posted on these items.

I hope everyone is enjoying their summer. Stay safe and hope to see you soon.

## Special Events

On July 7, the Legion hosted breakfast at Our Daily Soup Kitchen. Netley Creek colony again donated the eggs. Thank you to Michael and Bernice Tassano for donating muffins. The chocolate chip muffins were a big hit with the children (and some adults).

The next breakfast will be August 11, 2019.

All winners of the July cash calendar were notified and all have received their cheques. Plans are for another cash calendar in December.

Beef on a bun was served up on the Saturday of rodeo weekend. Thank you to all the volunteers for making this year another success. Thanks to Jerry Oliver for cooking all the beef.

Steak and Lobster was July 20<sup>th</sup>. Just as the griller was going to cook the steaks, the lights went out. Everyone was very patient, and just as a contingency plan was put into place, the lights came back on and the event continued.

Uncle Basic entertained following the meal. Everyone appeared to enjoy the meal and the evening.

Thank you to the great volunteer crew who without them this would not be possible.

## Over 60 Club

403 Eveline Street, Selkirk, MB, R1A 1N8  
Office: 204-482-4319

### Over 60 Club

Our attendance of members at our July 18 meeting was quite low. A particular concern is the number of members who indicated that they were attending but did not attend. This results in a significant cost to the Over 60 Club. We need to address this challenge.

On July 18 Neil Zebinski distributed the books of tickets for the Fall Raffle draw. We sold all our tickets for the Spring draw. Let's repeat this for our fall draw.

We need some assistance to look after our Sick Visiting responsibility.

If you are interested, please leave your name and phone number with the Legion Office.

Don't forget that our August 15 meeting is an Indoors Games day.

Welcome back Helen Welham!

### Over 60 Volunteer Report

Thanks to the volunteers for the month of July who helped with the lunch. Reverend Stephan Sharman for saying Grace; for calling table numbers, Liz Stangland, Marlene Koral: for cleanup and other duties, Lynne Kowal, Mary Zebinski, Cookie McAuley, Fern Kirton and Jeanne Harvey.

2<sup>nd</sup> Vice President Over 60 Club

### Over 60 Membership

On July 18th we had only seventy-one members in attendance; that seems to happen in the summer months. We also have a few members with health problems--hope to see them at our August get-together. There were 4 guests in attendance. Helping out at our registration table were Fern Kirton, Helen Starodub and Louise Goodbrandson.

Thank you!

Our phoning volunteers: Denise Cannon, Pauline Okun, Evelyn Goodbrandson, Elizabeth Storoschuk, Pam Linklater and Cookie McAuley remind our members every month about our meeting and checking if they will be able to attend. It gives us an approximate number to let the caterer know how many will be in attendance. Denise calls the numbers in every Monday morning.

Birthday greetings were extended to 11 members who had a July Birthday.

It was great to have Helen Welham come during the afternoon-she hadn't been able to come since last fall! We also had one new member in attendance.

If anyone is thinking of joining the O-60 club; it is very easy to become a member!! You do need to belong to RCL Branch 42, and applications for membership in the Over 60 are available at Branch 42. Membership for O-60 is only \$5.00.

## Over 60 Entertainment

Hello Summer.

I am very happy to report Western Day was a success even though the number of members attending Lucy's BBQ and Pride and Joy's afternoon music was very low.

The biggest thank you ever to Alice Thompson for taking over for me at the last minute. Also thank you to her volunteers, Liz Flett and Jeanne Harvey.

August is Game Day. All games including crib will be played in the Club rooms. The Juke Box will be playing for your listening pleasure. There are quite a few names on the roster, but still room for more. It is not too late, so sign up on game day. Sounds like it should be a lot of fun. Thank you to Fern Kirton for looking after the sign-up sheet.

July winners were:

Door Prize	Debbie Rubashewsky
Bottle Draw	Donelda Garnett
	Sandra Skiba
Meat Draw	Ron Inman
	Edna Czorny
	Edna Czorny
	Isabel Anderson

See you all on Thursday, August 15<sup>th</sup>, 2019 for fun and games.

Again, thank you to all the volunteers. This club could not function without all your help.

Respectfully submitted  
*Faye Drummond*

## Over 60 Ways and Means

Fall Draw books are ready. Some have picked up theirs at the July Luncheon. Please try to attend the August Luncheon and get yours. **Remember you are not asked to purchase the tickets but to sell them** to friends and relatives. The tickets are only one (1) dollar each for a chance to win five hundred dollars (\$500). With only three thousand tickets printed your chances are better than the lottery. All books are to be returned at or by the October Luncheon date.

Without your support the Over 60 cannot function. The Legion is a NOT FOR PROFIT Organization. The funds that are raised cover operating costs and building maintenance. Things are not free, so come on down, support your branch any way you can. If every member volunteered three times a year for a few hours it would make operating the legion functions a joy. So, come on down, volunteer, meet past friends and then make some new ones.
