The Canadian Red Cross

Currently we are running the following grocery programs for individuals who live in Sarnia, Point Edward and Brights Grove and are 60+:

1. Grocery pickups – clients can go online and order groceries at Walmart and the Superstore. We can then have a volunteer pick those groceries up and deliver them to a client's home. There is no charge for this service, but request at least 1 days notice so we can ensure we have a

volunteer available.

2. Nutritional Networking – this is a program where a volunteer will go to a client’s house, pick up their cash and grocery list and go to one grocery store and do the shopping for them. A Volunteer will then bring the groceries to the client’s front doorstep. This program costs \$6.50 and the client will receive an invoice at the end of the month.

Seeking volunteers to assist with this service.
