

COUNCIL MEETING HIGHLIGHTS

SPECIAL MEETING OF COUNCIL
September 17th, 2026

A Special Meeting of Council was held on September 17, 2026 to discuss the Castor Centennial Pool deck project.

After the existing deck was removed, leaks were detected in the piping near the southeast and south sides of the pool. Additional work and funding were required to address these issues and complete the project.

Council approved the additional expenses for pipe repair, electrical work, and replacement of the North Wall.

REGULAR MEETING OF COUNCIL
September 28th, 2026

Financials

Council received the following financial updates:

- Gas Reconciliation ending August 31st, 2026 - accepted as presented
- Water Reconciliation ending August 31st, 2026 – accepted as presented

Correspondence

Council received a funding request for the Safety Smarts Program, which provides age-appropriate safety lessons from Kindergarten through Grade 6.

Council received the funding request as information.

No other matters were presented at the Council meeting.

These highlights provide a brief overview of the Council meeting and may not include all discussions that took place.
