Recycling

When recycling, please make sure that all containers have been rinsed properly and no product is left in the containers. If the container contains product, that container may not be used for recycling and would end up in a landfill. Also make sure that anything placed in the recycling bins is recyclable. If you are unsure check the County of Paintearth No. 18 website, under waste, and there is a list of products which are acceptable or ask the Attendant on site.

Propane Bottles and Aerosol Cans

Propane bottles of any type **Do Not Go Into The Metal Piles**. Each Transfer Station has a designated area for propane bottles. By putting the propane bottles into any other area creates a hazard to people who are working at the sites or residents who use the sites. Aerosol cans such as WD40, insect repellents and wasp sprays are also not to be placed in metal piles or paint recycling containers. These aerosol products must be taken to the Household Hazardous Waste Roundup held yearly in the spring. Again, by putting these materials in metal piles or paint bints there is a risk of serious injury to someone.

Railway Right of Way

The railway right of way is solely for the purpose of a utility corridor and not for recreational use. This is just a reminder that the right of way should not be used by ATVs, snowmobilers or vehicles.

Recreation

Big congratulations are in order for the U13 AA and U15 AA Baseball Teams. The U13 AA team won Tier 4 Gold in Fort Saskatchewan July 26-28. The U15 AA team won Tier 1 Gold in Provost August 2-4 and will represent Alberta at the Western Championships August 16-18 in Strathmore.

We will be hosting a Fun Run/Walk and Pool Party on August 24th as a fundraiser for the Castor Centennial Pool. Cost is \$10 for kids and \$20 for adults; this includes entry to the Pool Party, 1 Hot Dog, 1 Water and Cotton Candy. Run/Walk options are 2.5 km, 5 km and 10 km. To register please email Natasha at castorrec@townofcastor.ca.

Soccer registration is now open. The soccer program is for 4-12 year olds. Program will run on Tuesdays and Thursdays from August 20th to September 26th. Cost is \$40. Registration can be done at the Recreation Office or by emailing Natasha at castorrec@townofcastor.ca.

We don't want to wish the summer away but hockey season plans are underway. Hockey School with Coach Flip will be October 4-6; more information will be available soon.

Garbage

Please ensure you are not placing any of the following items in your garbage for the town to be picking up with their regular garbage pick up:

- ◆ Construction materials
- ◆ Furniture (mattresses, chairs, couches, tables)
- ◆ Electronics
- ◆ Refrigerators, stoves, dishwashers, hot water tanks
- ◆ Paints and other liquids
- ◆ Bags or boxes exceeding 40 pounds
- ◆ Dead animal carcasses

These items need to be hauled to a landfill by owners.

If you place your garbage in some type of bin, please ensure it is noticeably a garbage bin, not a bin that could be mistaken for garbage itself. If it is not to be mistaken as garbage, please label it clearly.

Crack Filling

The Town of Castor Public Works crew have been busy crack filling all around town and trying to leave one side of the road clear to enable traffic to pass through. They have been applying dusting to the higher traffic areas to try and alleviate any oil that may get on tires.

Please be courteous when you see our workers on the roads.

Water

There have been some concerns regarding the water in town, and we want to ensure you that the water is safe to drink but may remain slightly "off" due to our water supplier for a period of time.

Flushing your lines slightly more than regular may help to clear things up quicker.

Thank you for your patience!
