

MAXXSTAR GWC GLASS & WINDOW Cleaner

QUICKLY REMOVES FINGER PRINTS, GREASE & GRIME

MAXXSTAR GWC quickly removes grease, grime, smudges and fingerprints from glass both indoors and outdoors. **GWC** is a ready-to-use formula that delivers streak-free cleaning. **GWC** Works like a heavy-duty glass cleaner without the high levels of solvent or ammonia all the while providing exceptional performance at very low use levels. **MAXXSTAR GWC** provides a unique combination of outstanding performance and low environmental impact. **GWC** is free of ammonia, glycol, ethers, acetones EO/PO block polymers perfumes and dyes. **GWC** is safe to use on water washable surfaces including tinted glass.

INSTRUCTIONS:

MAXXSTAR GWC can be applied via trigger spray, cloth or sponge. Spray or mist on surface to be cleaned. A small amount of **GWC** goes along way so there is no need to saturate the surface with the product. Wipe area clean using a soft cloth, microfiber towel or quality paper towel. If using a squeegee, apply **GWC** to the surface, scrub to loosen soil, and squeegee. Do not allow **GWC** to dry before wiping.
