

Recreation

The ball season has gotten underway with U9 and up practices and we will be planning on starting the Learn to Play and Coach Pitch groups by the end of April if the weather cooperates. Currently competition is not allowed in youth sports but as soon as teams are able to play, we will make sure to make an announcement.

We are currently taking registrations for a Softball CANpitch clinic for ages U10, U12 and U14. There are only 10 spots available so register early! Contact Natasha to receive a registration form.

We are awaiting the arrival of a set of basketball nets then we will be offering household rentals at the arena that will include basketball, ball hockey, pickleball and badminton. Rentals will be \$30/hour. Bookings can be made with Natasha at the Rec Office.

For more information on Recreation Programs please contact Natasha Bozek at castorrec@townofcastor.ca or 403-882-3225.

Household Garbage Bins

Just a friendly reminder with summer approaching, so does the wind. We ask that all loose garbage is properly bagged to avoid the wind from pulling it out of the bins and blowing it everywhere throughout the sites. PRWM wants to keep in good standing with our surrounding neighbors of the three sites and requires your help to achieve that goal.

Twine Collection

PRWM had its first Twine pickup in the first year of the Pilot program starting and recovered 1,902kg (4193 lbs). This is a great number and applaud the community for participating and hope together we can keep making a difference.
