

CONGRATULATIONS

BROOKS PRESCHOOL JUNE 2024 NEWS

TEACHERS REPORT

As educators we see the image of the child as Mighty Learners and Citizens! We are so proud of how our students have developed and grown into great young citizens.

Our preschool year is winding down and many of our preschoolers will be off to kindergarten in the fall.

We thank you for entrusting your child to us this year. We have enjoyed working with all the children in our care and have seen such growth in their development. We have also witnessed how the children have grown in the way they deal with frustration and the care and concern they express for one another.

We encourage you, as parents, to remember and support your child's learning through play and discovery. This is the best way for our early learners to meet their outcomes for their future learning.

Sincere thanks to everyone who has helped make our school year successful. We feel a close partnership with our parents and send you our "Best Wishes."

PLANTING:

The children have shown such an interest in expanding their knowledge of plants and have been talking a lot about how they enjoyed planting their own seeds.

In Flight: Alberta's Early Learning and Care Framework there are holistic play-based goals that we as educators can use to think about and describe what children are experiencing and consider further possibilities that can enrich their care, play, learning, and development. In addition, the goals provide us with a common professional language as we share the stories of children's experiences with our families and staff. Under the Goal Diversity and Social Responsibility there is a facet called Sustainable Futures the children are learning about environmentally and socially responsible practices by participating in care of plants and the stewardship of local plants.

THANK YOU!

A HUGE “THANK YOU” to the Board of Directors and Room Reps who have put in lots of time and energy all year. Your support and dedication to our preschool are greatly appreciated.

SPECIAL THANKS to all of our excellent parent helpers for the month of June and throughout the year, we could not run our preschool without you!!

Thank you to Miss Shawna for visiting our preschool and for the Brooks Public Library visits.

Thank you again to all our families who have made donations of any kind to our school this year. These are all greatly appreciated.

We wish you all a fun and safe summer and all the best to those students who will be moving on to kindergarten. For the returning students and families, we look forward to seeing you again in September for your child’s continued early learning.
