

12 Years ago ...

It was 2006... The Blackberry Pearl 8100 was THE smart phone to have, Calgary Food Trucks were a gleam in someone's eye and Talladega Nights ruled the theaters, well maybe "Ruled" is a strong term, but a fun diversion none the less. An after hour chat about marketing led to an idea and that became the best part of summer jobsite lunches! Yes, this is our 12th Bar DE Que Season and we arrive prepared for almost any situation that Mother Nature can deliver. Our Bar-DE-Crew unit arrives at your job site, field operation, show home grand opening, sales office or corporate headquarters and performs a Site Hazard Safety Analysis, then set up our shiny grill, coolers, tables and start cooking!

What started as a thank you to our customers and to have a bit of fun in the field has proven to be quite popular so you better book early you to get your grilled Spolumbo sausage in a fresh Italian roll with a heap of condiments and a selection of nonalcoholic beverages for all to enjoy.

Contact your friendly D&E Sales representative for more detailed information or to book your occasion. You can also contact us by email at the BAR DE QUE Link found on our website, www.delumber.com. We hope to see you at your very own; team building staff luncheon, customer appreciation, sales promotion, sub-trade appreciation day or special marketing event Bar-DE-Que this summer.

This is Joey Chestnut dog eating champ with 72 Tiny Hot Dogs...
The current Spolumbo record is 5 with bun... slow clap!
