IUPAT DC 39 Online Training Program

As a compliment to our current Apprenticeship and Safety Training program, the International Union of Painters and Allied Trades District Council 39 is continuing to offer a number of safety courses online, courses such as WHMIS 2015, Asbestos Abatement Awareness and Safety in Fire Prevention plus a host of other interesting and informational courses; they are available in both English and in French.

To take advantage of this service you must meet **all** of the following criteria:

1. You will need to have a valid and up to date mailing address and a valid email address. If you do not have an email address it is simple and free to set up an account on web sites such as www.hotmail.com or www.gmail.com or www.yahoo.ca . I will be collecting email addresses during the regular in-class courses but if you are not attending one of these in the near future you can email me at wmacdonald@dc39.ca expressing your interest in taking an online course.
2. You must be an **active** member of District Council 39, and in good standing.

If you are interested in taking one or more of the online courses and you meet the above listed criteria, please contact me at the training department. I will be mailing out the official training cards upon your completion of the above-mentioned courses provided you meet the criteria mentioned above.

If you have any questions you can contact me using the information provided.

powered by United Rentals

IUPAT DC 39, partnered with United Academy, is continuing to offer **Aerial Boom Lift & Scissor Lift Operator Certification – (Blended)** training as well as **Counterbalance Forklift & Rough Terrain Forklift Operator Certification – (Blended)** training. To qualify for Aerial lift training, participants must be in good standing with the Union and have a valid NB Fall Protection certificate. Blended learning is a combination of online learning and a hands-on practical evaluation by a United Academy Certified Evaluator (CE). The online theory portion can be done at home. The online theory portion takes 4-5 hours to complete, the hands-on may take 1-3 hours to complete depending on class size. Once you successfully pass the online exam, arrangements will be made for you to complete the practical hands-on portion at a participating local United Rentals location by contacting the training department.

If you are interested in any of these courses, please contact the training department at 1.902.468.1333 or toll free at 1.877.277.4488 for more information.
