TEACHER'S REPORT

The children have shown such an interest in expanding their building with loose parts and have been talking a lot about how they enjoyed planting their own seeds. We are getting daily reports from the children on how their plants are doing.

In Flight: Alberta's Early Learning and Care Framework there are holistic play-based goals that we as educators can use to think about and describe what children are experiencing and consider further possibilities that can enrich their care, play, learning, and development. In addition, the goals provide us with a common professional language as we share the stories of children's experiences with our families and staff. Under the Goal **Diversity and Social Responsibility** there is a facet called **Sustainable Futures** the children are learning about environmentally and socially responsible practices by participating in care of plants and the stewardship of local plants.

CHARACTER EDUCATION

We are learning about "RESPECT"

For young children being respectful means:

- Being kind to your friends and family
- Using good manners
- Not hitting or hurting others
- Talking about your problems

Your child will meet Rusty the Respectful Raccoon and be encouraged through example, stories, songs and activities to develop into respectful individuals.

You are the most important teacher your child will ever have. Your children will learn by the example you set for them. The most important **respect** you can model for your child is **respect** within the family. Showing your children that you **respect** them and treating your children with **respect** will have long-lasting influence on the way your children **respect** others.

SPECIAL DAYS:

All MOMS/OTHERS are special, and we want to celebrate with you. The Children have been practicing songs that will be shared through our private Facebook Pages May 4th, 5th, and 7th. You can also pick up a muffin the children will have helped make just for you!

Pets/Animals: May 10th, 11th, 12th, and 14th children are welcome to bring a photo of their pet to class to share with their classmates.

Backwards Day May 25th, 26th, & 28th We have noticed that some children like to wear their shirts backwards, this day was generated by the children's interest. Let your child be creative and follow their lead in how they would like to participate.

SPECIAL THANKS:

We have so many great parents!
Thank you to all our excellent
parent helpers for the month of April.

We appreciate all the donations
that keep pouring into our
preschool from loose parts, toys,
games and the giving of your
time.

LITTLE REMINDERS

With the weather warmer we ask that
you please send a water bottle in
your child's snack. We can refill them
here as needed.

Parents, please let teachers know of
any changes in phone numbers,
addresses or medical concerns. We
need to keep information current.

Kindergarten Registration is ongoing
at Grasslands Schools, Holy Family
Academy, and Newell Christian School
for your convenience.

If you have any concerns or
questions throughout the
year please feel free to
contact your teachers at the
preschool or email at
bpsteachers@brookspreschool.com

At the end of the year, you will receive your child's observation checklist on how we notice they continue to learn. Reminder that the observations are a combination of our Program Philosophy Statement, which is adapted from the current research regarding developmental milestones, for children 3-5 years of age. We encourage you to continue to stay involved in your child's everyday experiences and celebrate how well they are doing.

Lemon Raspberry Chia Pudding

Ingredients

- 1 cup non-fat plain Greek yogurt
- 1 cup coconut milk (I used Silk)
- 1 Tbsp lemon zest
- 2 Tbsp lemon juice
- 1 cup raspberries (fresh or frozen)
- 1 1/2 Tbsp honey
- 1/4 cup chia seeds

Instructions

- Combine all ingredients in a large storage container that has a lid. Make sure all the chia seeds are mixed in, and mash the berries lightly, especially if using frozen raspberries.
- Place the lid on the container and refrigerate overnight or for at least 8 hours.
- Serve with extra raspberries, and a drizzle of honey, if desired.

Notes

*You can substitute any kind of milk for the coconut milk.*The lemon zest and lemon juice is equal to 1 medium lemon
