

Donations 2023 Annual Report

Stewardship is more than money, yet money is an integral part of it.

Over the years, ways to contribute have evolved from the use of Offering Envelopes to include a number of electronic transfer methods. Some of these come with a cost to the church. 128 receipts for Income Tax purposes were issued for 2023. This includes receipts for donations received from identifiable visitors. Donations received through Canadahelps or the Victoria Foundation are received by the respective organization.
