SPEAKER BIO

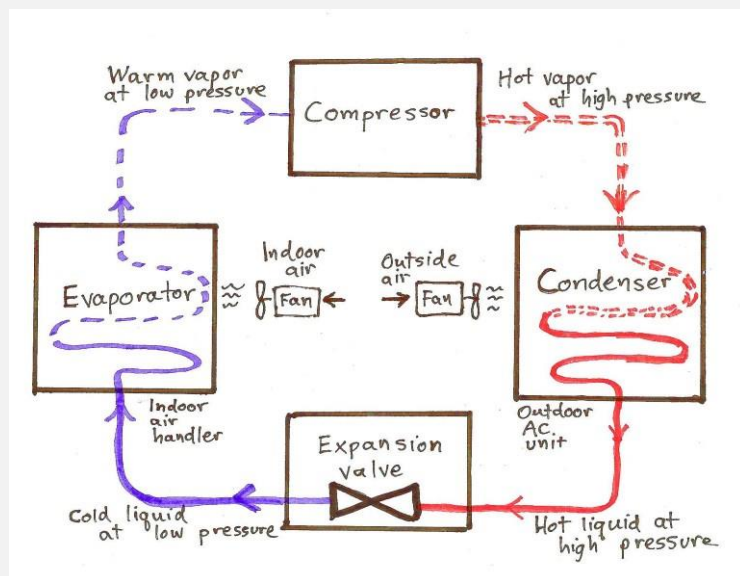

Ivan Belleveque studied in France, graduated from different schools (notably the French institute of industrial refrigeration) and got several diplomas along the way as the BAC energy engineering, BTS refrigeration engineering and the superior diploma of industrial refrigeration.

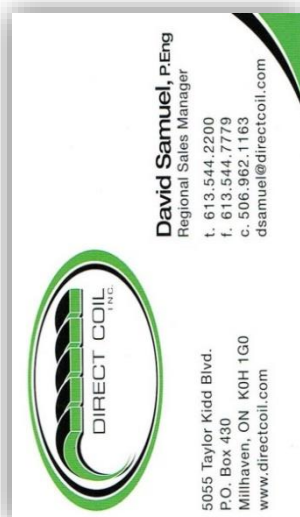

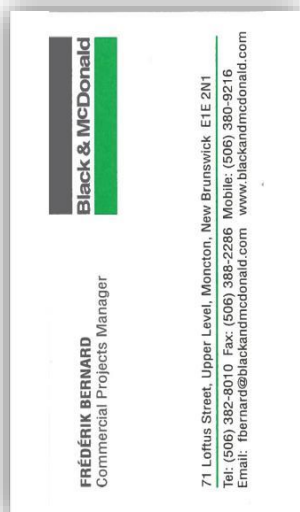

He has worked for different companies (Mondial Frigo-IFC, Johnson Controls, GDF-Suez) which allowed him to experience different positions (field technician, estimator, project manager) with a focus in the domain of refrigeration as a contractor.

Ivan emigrated in Canada and is now employed with the Master group since 2012. As a product manager, he is notably in charge of training and technical support for installations all across the country.

Presentation Summary:

Ivan Belleveque will touch on the refrigeration process and cover the function of the main components including expansion valves, hot gas bypass valves, evaporating pressure regulators, head pressure valves and crankcase pressure regulators.

Energizing Efficiency Conference

Date:

May 7-8 2019

Location:

The conference is taking place at the Delta Baesejour, located at 750 Main Street, in Moncton.

Conference Summary:

NB Power is redefining energy to make New Brunswick a better place. Energy efficiency is one of the most important tools your organization has to minimize environmental impact while maximizing productivity and profit.

Building on the success of last year's event you can expect more great networking opportunities and engaging speakers sharing their knowledge of best practices, case studies, new technologies and strategies to energize efficiency!

Registration for this two-day conference includes access to keynotes, sessions, breakfast, lunch, and nutritional breaks, as well as a ticket to the Energy Efficiency Excellence Awards Dinner on Tuesday, May 7.

Instructions:

We would like to extend you a 10% off registration discount. Kindly click on the link below, then click on Register, and in the top right-hand corner you will see "Enter Promotional Code" - please enter the code EEC19DISCOUNT. Please complete the required delegate registration information. An email confirmation will be sent to the email provided to confirm a successful registration.
