LU 1984 Training Schedule

January – April 2020

All members are required to register for training courses, the location and times of these courses will be confirmed when you call in to register. Seats are limited and are reserved on a first come, first served basis. If you are an active IUPAT member in good standing **please call the office to register 1.902.450.5068 or toll free 1.888.794.3444**. It is important for you to check your training cards regularly and sign up for retraining before your courses expire. Please check the letter that you've received in the mail for your current training records; courses not funded by the JATF will not appear on your JATF training records. **For classes at the NLCSA, in the event of poor weather conditions in your area during your scheduled training please call 709.739.7000 or 1-888-681-SAFE(7233) the outgoing message will reflect any delays or cancellations.**

IMPORTANT NOTES: **Please note that IUPAT no longer uses United Academy as the Aerial Lift training provider. This course will be offered 2 times a year provided the minimum number of participants is attained. Please put your name in for this when you call in to register for training, if you need it. Once we get enough members for a class, the time/date will be confirmed. You will need proof of Fall Protection (NL) in order to sign up for Aerial Lift training.

If you sign up for 1 Day Fall Protection Refresher (NL), we will need you to send us a copy of your current 2 Day Fall Protection (NL) if we do not already have it on file. If you sign up for Confined Space only, you will need to send us proof of a valid Fall Protection (NL) certificate.

If you sign up for training and **do not show up or do not sign up while courses are being offered**, you will be responsible for your own training (cost and scheduling). If you cannot make it, you need to let the training department know at least several days ahead of time so that we can fill the seat.
