THE NEWSLETTER FOR THE PROFESSIONAL CONTRACTOR

What is "New" is "Old" again...

Message from the President...

September 1st of this year the corporate structure of the company changed, but that is the only thing that has changed. You will find the excellent service and fair market pricing that you received in the past will continue into our 71st year of operation and well beyond. I will be assuming the role of sole owner and President. Dan (right) and Jeff Davidson (left) become major shareholders as well as assuming expanded managerial duties in the areas of sales, purchasing, safety and administration.

Robbie Pillipow remains as General Manager of our entire operation while at the Truss Division **Kevin Holden** stays as Manager with **Jordan Hiller** becoming Assistant Manager. **Shawn Tailer**, who has reigned over the Accounts Receivable department will also assume the newly created position of Office Manager. Our current head of Commercial and Contractor Sales, **Rob Bromberg**, who has with us since 1990, continues in that role. **Mike Kaiser** will carry on as our C.F.O.

In conclusion, the "same old guys" will still supplying you with the superior pricing, sales and service you have relied on, since 1948. Oh yeah, speaking of "old guys" I would like to welcome back Ken Fossen to the Sales Team.

Thank you,

Doug Davidson

President
