

Do an experiment with family members to show how something that seems small can get bigger. Place a bar of Ivory soap (Ivory brand *must* be used) on a paper towel, paper plate, or wax paper (do not use aluminum foil) in the microwave. Set the time for a couple of minutes on full power. Watch as the soap grows and relate it to growing sin in our lives. Remind your child obedience is always the best choice and please God.

**EXPLORE TOGETHER:**
