

In Stock Instrument Inventory Liquidation

All items 80% off List Price

TERMS: Items are available on a first come, first served basis. This list will be updated from time to time. Please call us to verify that the item is still available. Once depleted, price for new items will revert to LIST PRICE.
 If you previously trialed one of these instruments and returned it as unacceptable (this is the reason it is stuck in our stock), the 80% price will not be honored for you.
 You may order these items for inspection. You will receive a full credit less shipping charge if returned to us within 10 business days. Shipping charges and taxes are additional to the prices below.

We are pleased to email/fax pictures of the instruments below. Please request by phone or email. 1-800-263-3557 or, orders@sacor.com
