

Parish of French Village
Scholarship Application

Introduction

The Parish of French Village Scholarship Fund was established to support worthy applicants in their pursuit of higher education.

Candidates will be assessed on the basis of five criteria:

1. Status as Anglicans
2. Activity in/contributions to church and community organizations
3. Direction of education, e.g. Holy Orders
4. Scholarship, i.e. academic achievement
5. Recognized need

Assessment of application necessitates the provision of information that is both personal and confidential. All information gathered will be treated as such by the Scholarship Committee. Candidacy is entirely voluntary. No applicant is obliged to respond to any question. However, selection of the successful scholarship applicant(s) will be based on the information available to the committee. An incomplete application may result in priority being given to another applicant.

References

It is a condition of candidacy that applicants must provide two letters of reference in support of their application.

The completed application is to be forwarded to the Parish Secretary on or before January 31st. It may be accompanied by any materials the applicant wishes to be considered by the Scholarship Committee.
