COVID-19 PREPARATION & SAFETY PROTOCOLS

In order to insure the safety of participants, instructors and crew, it is recommended that you voluntarily have a Covid-19 test done 3 to 5 days prior to the cruise and isolate while waiting for the results. The following precautions will be required:

Upon arrival you will have your temperature taken electronically. You will be required to confirm the following information:

- 1. You have not had fever, headache, cough, taste or smell reduction, or any other symptoms that could be Covid-19 related during the previous 10 to 14 days.**
- 2. You have not travelled internationally or travelled by air domestically during the previous 14 days.**
- 3. You agree to wear a face covering when physical distancing is not practical and when working in the Galley.**
- 4. You understand that there is risk in any social event and will not hold Adventure Sailing Plus Ltd. its, owners, instructors or associates libel in the event you or anyone in the group contracts Covid-19.**

Please bring your own sheets, blankets or sleeping bag, pillows & pillow cases, towels and face masks.

Each person or couple will use their own designated washroom for all personal hygiene. That means do not wash hands or brush teeth in the kitchen sink.

Food preparation & clean up will be by one person at a time in the galley & a face mask shall be worn. Only paper towels shall be used in the galley to dry dishes or hands after doing dishes.

The vessel is large enough to insure 6 ft of physical distancing during instruction & sailing and a private cabin at night so please respect everyone for all our benefit.
