Break-ins / theft

We have had a few break-ins over the last few months at the sites and are asking the community to be aware and to report any activities out of the ordinary to police.

Sorting of loads

I want to thank everyone for doing their part in placing items in the proper locations, but we are still finding electronics in the garbage bins, propane bottles in the metal pile and a lot of material in the construction pile that can be diverted to other locations.

We all need to do our part and keep the costs down. These Transfer sites are **FREE** to use. Zero tax dollars from towns or county go into these sites. The funding comes from royalties. If we all do our part, we can continue to access a free service within our community that is simply rare.

Holiday Hours

Halkirk, Castor and Coronation Transfer Sites will be Closed Saturday, December 26, 2020 (Boxing Day) and will resume normal winter hours on Wednesday, December 30, 2020 from 1:00p.m. to 5:00 p.m.
