

A-99

“Premium Crop Oil Concentrate”

- 100% Active, nonionic, nonvolatile, emulsifiable crop oil concentrate.
- Enhances the penetration of many pesticides through the waxy layer of cuticle on a leaf surface.
- Designed for use with a broad range of pesticides and where a crop oil concentrate type adjuvant is recommended.

A-99 Premium Crop Oil Concentrate is an 84% ultra pure paraffin oil and 16% NIS blend.

Allows safe penetration and encapsulates oil soluble pesticides.

A-99 is an extremely versatile crop oil concentrate allowing for use with post-emergence herbicides as well as defoliant, desiccants, and other pesticide uses.

CAUTION: CAUSES EYE IRRITATION

Notice: Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, express or implied, extends to the use, storage or handling of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use. The risks include, but are not limited to damage to plants, crops and animals to which the material is applied, failure to control pests, damage caused by drift to other plants or crops, and personal injury.

Net Contents: 2.5 Gallons

Principle Functioning Agents:
Paraffin Base Petroleum Oil, Ethoxylated Alcohol.
TOTAL Principle Functioning Agents.....100%
