When you notify the patient of the appointment, please give him/her the following instructions. Alternatively, you may also direct your patient to our website WWW.BCALLERGY.CA for this information.

- A 48-hr notice for rebooking & cancellation is required; otherwise a significant fee may be charged to the patient.
- Please note that rebooking appointment will result in significant additional wait.
- Please do not wear any scented products.
- If this is your first visit, please arrive 10 minutes early to fill out forms. Please bring your medical card and a list of your current medication and supplements.
- To make the most of your visit and avoid having to rebook your skin scratch testing, **please do not take any antihistamines** such as *Reactine, Allegra, Claritin, Aeriuss, Atarax or Chlortripton*, or any medications with **antihistaminic properties** (*Amitriptyline, Trazodone, etc.*) **within 5 days** prior to the appointment. If an antihistamine is required, you may use Benadryl only up to 24 hours prior to your appointment. All other medications please consult your physician who prescribed the medication for you.
- Nasal sprays, topical cream, eye drops, steroid asthma inhalers, Sudafed, prednisone and regular allergy injections are fine to be continued.
- Optional: Feel free to bring to your appointment any food items you suspect may be causing you an allergic reaction such as fruit, vegetables, spices, alcohol, processed foods etc. We have extracts to test for many common food allergies in the office.
- Use the underground pay parkade; \$2 for two hours. We cannot be responsible for parking tickets due to failure to obtain pay parking, nor are we responsible for any parking violations from using the parking lot at the adjacent shopping centre.

Thank you for acknowledging this important information. Feel free to call our office if you have any questions.
