Hi, my name is Neil Joseph Anthony!

I am a 13 year old boy who lives in Pulilan, Philippines.

I live with my parents and 1 sister in a 3 room house with cement walls, cement floors and metal sheet roofing.

I attend St Dominic Academy in grade 7 and my best subject is Filipino.

I like to play basketball.

At home I am responsible for washing the dishes.

I want to be a pilot.

I aim to finish my studies to attain my goals to help my family.

At my Sponsor Site, Bulacan, sponsorship provides me with educational support, nutrition and medical care. The Site staff work hard to provide aid for the poor and malnourished children of the community.
