Virtual Activities

Starting May 14th, we will be offering weekly Activities online for families with children under the age of 5 to participate in.

The activities will include crafts, games, workshops, baking and more; we will provide instruction and basic supplies. Some of the activities may require internet, as they will be hosted through zoom. Most activities will require parental assistance.

Green Team

Starting July 7th, the green team will be hosting weekly community clean-ups around Selkirk at various parks and popular areas.

Disposable gloves, garbage bags, water and snacks will be provided. There will be weekly draws for gift certificates and prizes. Clean-up days every Wednesday at 10:00am. The dates and locations for clean-ups will be posted weekly on our Facebook page.
