

Mission Statement

Slave Lake Dance Creations Dance Society is dedicated to igniting and supporting a lifelong passion for dance in dancers, instructors, parents, and the public. We foster physical and personal growth by developing dancers and instructors in an open and inclusive environment.

The objectives of the society are:

- a) To promote, maintain and increase an interest in dance among the dancers, parents and families of Slave Lake and area within a friendly, sociable and non-profit setting.
- b) To allow Members the opportunity to develop their dance skills in an organized fashion, without sacrificing the enjoyment and fun each dancer should have and retain for a lifetime.
- c) To have and to exercise a general care, supervision and direction over the groups and dancers, so as to maximize each Dancer's potential.
- d) To provide all necessary equipment for carrying on the Society's various objectives and to sell, manage, lease, mortgage, dispose of, or otherwise deal with the property of the Society. This will include raising money and funds for the Society's non-profit endeavors as they relate to dance and its support facilities.
- e) To carry on all activities of the Association in a democratic and open manor, so as to encourage parents to participate in supervisory and organizational roles within the Society, and to assist Members in obtaining the training required of them.
