

# Foam-Line

“Long Lasting Concentrate”

- Lasts 2-3 times longer than other brands.
- Superior results in nearly all foam marker systems.
- Not effected by freezing.
- Never worry about losing your mark, even on hot and dry days!
- Works perfect in weed wipers that demand a dense lathered foam.

Principle Functioning Agents:  
Anionic Surfactants and Butanol.  
TOTAL Principle Functioning Agents.....100%  
Constituents ineffective as a spray adjuvant .....0%  
Exempt from tolerance under EPA 40 CFR 180.1001 (c).

An 80 to 1, water soluble agricultural foam marking concentrate. Foam-Line provides dense, high expansion foam, having excellent stability when applied through foam generating equipment.

Under warm and dry conditions, Foam-Line will last 3 times longer than most foam marking concentrates. Typical usage is 1 pint per 10 gallons of water.

For use in weed wipers, adding 1 gallon of Foam-Line per 25 gallons of water produces a dense lathered foam.

**DIRECTIONS FOR USE:**

- Add 1-2 pints per 10 gallons of water and mix well.
- Mixed at 2 pints, Foam-Line will stay on top of the foliage and not break at high speeds.
- Add 1 pint Foam-Line plus 1 pint Durafoam per 10 gallons of water for a mark that will last longer than Foam-Line alone!

**CAUTION: CAUSES EYE IRRITATION**

Notice: Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, express or implied, extends to the use, storage or handling of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use. The risks include, but are not limited to damage to plants, crops and animals to which the material is applied, failure to control pests, damage caused by drift to other plants or crops, and personal injury.

**Net Contents: 2.5 Gallons**
