Update Group President and Group Delegates Information

WODL communicates with our member groups through the group presidents and the group WODL delegates--two delegates from each group. These people can then pass the information on to the rest of their group membership. Presidents and delegates also receive personal invitations to the WODL general meetings and to the AGM.

Now is a good time to update this information. Make sure that the formal AGM invitations are sent to the current holders of these positions.

So, presidents and delegates, if you are hiding out there, we need to hear from you!

So if you are the president, or you have been appointed a delegate for your group, please do the following:

Contact the WODL Membership Chair, Tim Dawdy, at membership@wodl.on.ca with this information:

- Your name
- The name of the theatre that you represent
- Your position: president or delegate.
- Your email address
- Your phone number
- Your postal address

Your contact information will only be used for official WODL purposes.
