The movers cannot be held responsible for items left at the residence after loading. It is your responsibility to ensure that no items are left behind. Please ensure that all belongings are removed before the driver leaves origin.

**All clients must pay an assessment fee of \$75.00.** This fee is a non-refundable fee. The assessment fee covers assessing all of the belongings noted on site and will determine how many hours the move will take. This fee, must be paid at time of the assessment. An official receipt will be provided. Please note, the cost of the move is subject to change based on evidence of the assessment.

Do not move bank bills, coins or currency or any items of significant value. These items are not covered by any insurance options. Please note you can purchase your own personal insurance as Community Service Movers will not be liable for any of your belongings.

At the end of the move, the owner must check, to see if all furniture's /properties are intact. After the move has been completed, the owners must sign an agreement acknowledging household goods, inventory and report any property damage immediately at the origin or destination, otherwise, Community Service Movers will not be responsible for any damages.

**Please note, payment arrangement must be arranged 3 days prior to the move in date.**

All properties were delivered intact.
