

QWENCH

"Extreme Wetting Surfactant"

- Superior spreading enables coverage of virtually any leaf surface.
- Reduces surface tension to an amazing 25 dynes/cm.
- Mixes wettable powders, preventing clogged nozzles and screens.
- Compatible with most spray tank mixes, even containing fertilizers.
- The most reliable choice for growers since 1979.

QWENCH is an extremely universal spray adjuvant that can be used in almost all tank mixes.

When QWENCH is added to the tank mix first, it greatly aids in saturating wettable powders which helps prevent downtime from plugged screens, sprinklers, and nozzles.

CAUTION: CAUSES EYE IRRITATION

Notice: Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability, or fitness for a particular purpose, express or implied, extends to the use, storage or handling of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use. The risks include, but are not limited to damage to plants, crops and animals to which the material is applied, failure to control pests, damage caused by drift to other plants or crops, and personal injury.

Principle Functioning Agents:
Ethoxylated Alcohol, Glycol, and Dimethylpolysiloxane.
TOTAL Principle Functioning Agents85%
Constituents ineffective as a spray adjuvant15%
Exempt from tolerance under EPA 40 CFR 180.1001 (c).

DIRECTIONS FOR USE:
Soil Wetting Agent:
 -Turf, Golf Course Tees, Greens, and Fairways-
 Apply 3 oz per 1000ft² early spring then repeat application at 2 oz per 1000ft² every 4-6 weeks in sufficient water for good coverage to over come hydrophobic soil conditions.
Dew Control Agent:
 Apply 2 oz per 1000ft².
Spray Adjuvant:
 24oz brings surface tension down to 25 dynes/cm.

Net Contents: 2.5 Gallons

Manufactured by:
 PO Box 12129 Salem, OR 97309-0129
