North Picnic Shelter

Haunted Trail Maze Support

Small skatepark
&
Basketball court

Why Develop a Vision?

- * Provide for a “blueprint” on the enhancement of MacLeod Park
- * Recognize public demands for amenities
- * Prioritize and facilitate funding, grant applications, and construction
- * Help all stakeholders to be on “the same page”
- * Minimize any possible future changes which could jeopardize work and fundraising projects committed by stakeholders

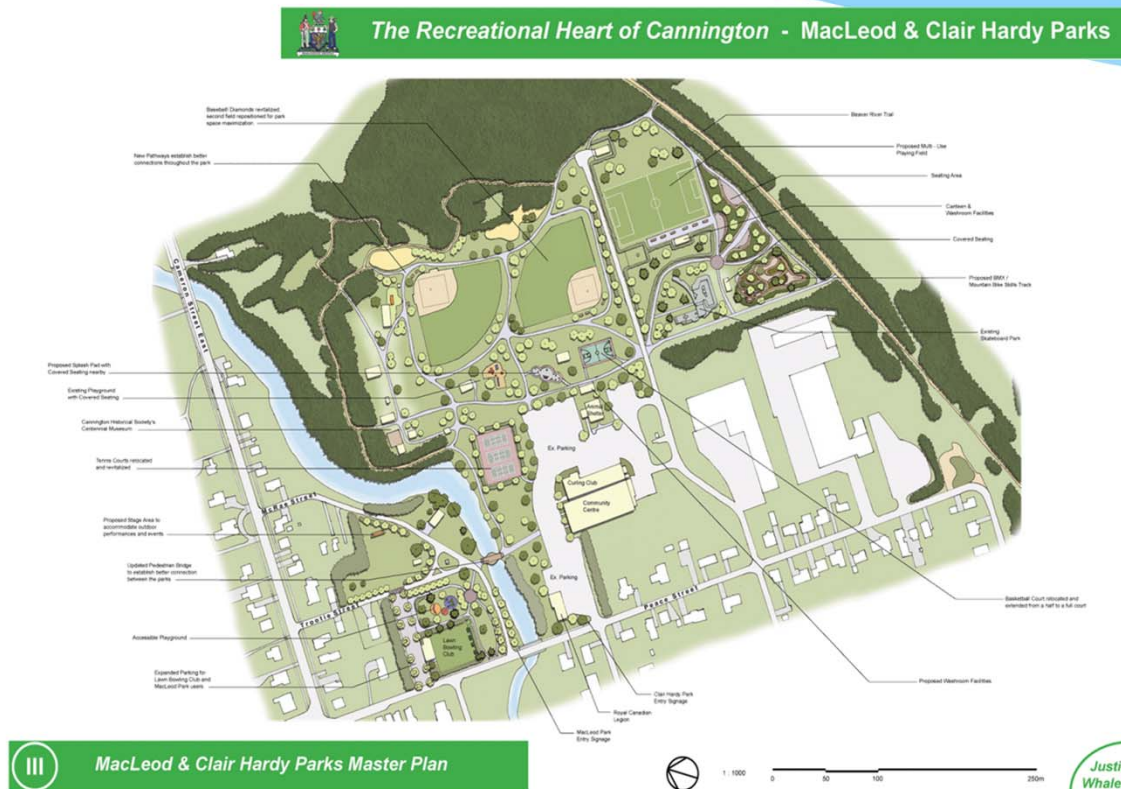

Proposed Process

- * Collect input on possible enhancements to MacLeod Park from the public. Performed through surveys and open house meetings.
- * Present findings of public consultations to stakeholders for consideration and input
- * Present findings and recommendations to Township of Brock for consideration and development of a formal vision of MacLeod Park future.
- * Have Township of Brock formally adopt vision
- * Begin process of prioritizing projects based on timing, costs, etc
- * Community engagement, funding, grant applications for project development

Starting Point

Conceptual drawing based on 2012 Recreation Master Plan. Included in it:

- Repositioned baseball diamonds
- BMX bike track
- Relocated and expanded tennis courts
- Outdoor stage
- Relocated and extended basketball court
- Updated pedestrian bridge
- Multi-use playing field
- New washrooms and canteen
- Series of walking paths throughout park

MacLeod Park Entry / Gateway

Perspective Showcasing MacLeod and Claire Hardy Parks Entry / Gateways

Both MacLeod and Claire Hardy Park Entry Signage share similarities to establish cohesiveness while providing an attractive, first impression to the parks.

Claire Hardy Park Entry / Gateway

Bridge updated with design cues from Park Entry Signage to tie both gateways together.

MacLeod Park Wayfinding Signage

Wayfinding Signage found in MacLeod and Claire Hardy Parks share the same design to establish park cohesiveness. Park users are provided with information about the features each space has to offer and a map to navigate the site.

Public Park – Public Input

- * Give us your input on park enhancements
- * Complete online survey
- * Complete paper survey at open house
