# THANK YOU

BRITISH  
COLUMBIA

Supported by the Province of British Columbia

The KXA Board and the Provincial Winter Fair Committee extends a HUGE thank you and are thrilled to receive one of the 2024 **Community Gaming Grants** this year.

We are thrilled that people once again can enjoy local events with their families and friends; and are excited to invite the public to the fair grounds to enjoy some wholesome family fun! **Thank you for Supporting Youth Programs and Events!**

The support of this program will provide our event with a brighter future as we look forward to celebrating our region's agriculture and the 4-H Program!

**Barbara Roden, Chair  
Thompson-Nicola Regional District**

On behalf of the Board of Directors of the Thompson-Nicola Regional District, it gives me great pleasure to welcome competitors, their families, and guests to the 86th Provincial Winter Fair.

Ever since 1939, it has been a cornerstone of this region's long and rich history of agriculture. It continues to highlight the importance of the 4-H program, which remains at the heart of the Winter Fair and provides youth with many valuable opportunities to develop skills that will help them become the agriculture leaders of the future.!

The Provincial Winter Fair offers so much more, however. The Grapes and Grill Wine Food Pairing returns, to showcase the variety of the region's produce, along with Food Trucks & Commercial Vendors.

The Circle Creek Equestrian Centre is the perfect place for people to come out and enjoy some of the best that Kamloops and the surrounding region has to offer. Good luck to all the competitors

**THANK YOU FOR YOUR TNRD PLATINUM SPONSORSHIP!**

## GREETINGS FROM THE GROUNDS

It is that time of year again - the leaves are changing, the mornings are cooling off, which must mean it is time for the 86th annual Provincial Winter Fair (PWF) in Kamloops.

We are fortunate to host our fair on the traditional lands of the Tk'emlúps te Secwépemc people at the Circle Creek Ranch & Equestrian Center in Kamloops BC.

Our year-end fair is always exciting as it marks the culmination of a year of hard work for all of our 4-H members with support of their families. This year, we will have exhibits displayed from Friday morning to Sunday evening including: beef, sheep, photography, poultry, and horse.

Please join us Sept 20th—23rd to support all of our 4-H & Open members who compete throughout the weekend for ribbons, prize money, banners and the coveted belt buckles.

The locally raised animals and photography projects will be available for purchase on Monday September 23rd at 10:00 am. Please join us and bid on some great 4-H projects to hang on the wall or fill your freezer. Parade of Champions begins at 9:30am.

This year we are celebrating with the return of our 4th Annual Grapes & Grill Local Beef, Sheep and Wine Pairing Event held on Friday, September 20—with tasting festivities starting at 4 PM, with dinner followed at 6 PM with live music to cap the night off!

I would like to take a moment to recognize our sponsors and volunteers who generously donate funds, equipment, fuel, and time to help make our fair enjoyable and exciting for our members and guests.

The Provincial Winter Fair is part of the Buy BC Fair community, which celebrates nutritious meals grown from our very own backyard, while supporting local farmers and producers, communities and the environment at the same time.

We are excited to have the public on fairgrounds learning about the 4-H program, our members and their projects as well as our contributions to local agriculture.

Good Luck to everyone competing and we hope to see a supportive crowd at the 86th Annual Provincial Winter Fair!

**Dina Levere**  
Chairperson, Provincial Winter Fair Committee

## GREETINGS FROM OTTAWA

As the Member of Parliament for Kamloops-Thompson-Cariboo,  
I'm proud to welcome you to the 86th Provincial Winter Fair.

The Provincial Winter Fair is a fantastic opportunity for young  
people to participate in agricultural traditions and to bring together  
producers and consumers.

Since 1939 the Fair has done an outstanding job keeping these  
traditions alive and creating a wonderful space for all residents to  
show their support for our farmers and agricultural producers.

This year it is exciting to see the return of the Grapes and Grill  
event sure to delight participants and visitors' taste buds.

Thank you to the many organizers and volunteers who make this  
event happen, and best of luck to all the competitors!

Sincerely,

**MP Frank Caputo**

Kamloops-Thompson-Cariboo

## **PROVINCIAL WINTER FAIR – AIMS & OBJECTIVES**

The Kamloops Provincial Winter Fair (PWF) provides an opportunity to all our contributors who participate at our Fair to learn more about agriculture. The agriculture education of the public and our surrounding community is equally important to us.

PWF continually strives to encourage public agricultural awareness by providing quality market livestock for show and sale. This live auction promotes the sale of grain-fed livestock. Promoting the livestock sale as well as learning about the amount of time, feed and effort it takes to produce these animals is of the utmost importance. All of this is provided at PWF in an atmosphere which is educational, yet fun.

Each year, the PWF Committee's goal is to provide the public with new agricultural information through various displays. PWF does just that. Our main objective is to make the public aware of just how important agriculture is to our Community and our Country. Providing the public with tools to education themselves is what Provincial Winter Fair does best.

## What is a Poultry 4-H Project?

In the Poultry project, members may raise chickens for egg and meat production; or they may raise ducks, geese or turkeys for meat or as breeding stock. Members may also take such projects as game bird raising or developing a waterfowl refuge. The purpose of this project is to give members an opportunity to learn basic principles of poultry raising, breeding, health, and management!

LEGISLATIVE ASSEMBLY  
of BRITISH COLUMBIA

As the MLAs for Kamloops-South Thompson and Kamloops-North Thompson, it is with great pleasure that we welcome all competitors, volunteers, entertainers, and fair goers, to the **86th** Provincial Winter Fair here in beautiful Kamloops, BC.

This longstanding agricultural tradition continues to bring many people together and has highlighted the importance of our local farming and agricultural communities in the Kamloops region since 1939.

We wish you well this weekend and hope that you enjoy all the events, entertainment, and festivities. To all the competitors, good luck and to all the organizers and volunteers, thank you for all your hard work and dedication in bringing this years Provincial Winter Fair together. Have a safe and wonderful time.

Warm regards,

Todd Stone  
MLA Kamloops – South Thompson

Peter Milobar  
MLA Kamloops – North Thompson

## 2024: THE KAMLOOPS PROVINCIAL WINTER FAIR CELEBRATES 85 YEARS

**THEN:** The year was 1939 and WWII had just begun when word was received that the Army had taken the Pacific National Exhibition grounds in Vancouver over to serve as a base, thus forcing the cancellation of the British Columbia Winter Fair that had been held there annually for some years. This was a major concern to those who were preparing their cattle, sheep and swine for the show.

While stockmen were left wondering what to do, a group of people saw this as an opportunity to establish Kamloops as the livestock center of the province and steps were immediately taken to create a new show and sale in Kamloops. With the help of the BC Beef Cattle Growers Association (the forerunner of the BC Cattlemen's Association), the BC Sheep Breeders, the Interior Swine Producers, the Dept. of Agriculture, the Chamber of Commerce and the City of Kamloops, the idea started to take shape. Matt Hassen, well known Auctioneer, started out in search of the \$1200 needed for prize money. He went to the Vancouver Exhibition Association and asked for \$100 of the Federal money that had been allotted to the now cancelled BC Winter Fair and was, of course, refused. (This refusal likely had a long lasting helpful effect on the Kamloops endeavor because when the Vancouver Exhibition Association wrote the next year to the Interior asking to have the participants return, most remained loyal to the newly formed venture). Hassen approached the Provincial Government and received \$500. Business people in Vancouver and Kamloops were canvassed but the \$1200 goal was not reached.

The BC Beef Cattle Growers had previously planned renovations to the Bull Sale arena with grant money from the Federal Government and with this money the sales ring was improved, seating enlarged and a furnace installed, as this was taking place in December and the weather could be very cold.

The first "Annual Provincial Christmas Fat Stock Show and Sale" came into being on December 4, 1939 located at the Kamloops Stockyards. The Boys and Girls section, (which evolved by the late seventies into one of the major 4-H competitions in Canada), started with only a modest number of calves in that section. In fact there were fourteen calves in the Boys and Girls Section and Elmore McMorran of Harper Ranch was the winner. The Open cattle competition dominated the show and sale with 314 being sold of which 290 had been entered in the carload of 15 or group of 5 classes, while 24 were entered in the individual halter classes. The Swine show had an exhibition of 100 brood sows and 5 Yorkshire Boars with 176 market hogs being sold. An undisclosed number of sheep were sold with final figures indicating a total of 797 head of cattle, sheep and swine being marketed for a grand total of \$37,732.

The Calf Scramble (the current Pioneer Event, *named in honour of a different regional agricultural pioneer each year*) had its origin in 1959 with the first one being held in an old airplane hangar across from the BC Beef Cattle Growers Yards. Those who caught a calf kept it for their project the following year with the calves being donated by area ranchers.

The event has evolved from chasing livestock around an arena into a practical obstacle course of ranching activities.

The Christmas Fat Stock Show & Sale changed its name in 1961, when it became the Provincial Winter Fair. The fair then moved locations in 1970 to the previous KXA Agriplex on Mount Paul Center.

**NOW:** Today, the fair occurs on a smaller scale, but with the same heart, enthusiastic and dedicated volunteers of the past. The fair is still a tradition for multi-generational families, however there are numerous newcomers. The livestock show is still the heart of the fair, but in the past we have expanded to include various other groups including craft and food vendors, as well the first annual Top Hand Ranch Competition in 2008. In 2016, we moved to the gorgeous grounds at Circle Creek Ranch in Kamloops. We are proud to offer highly entertaining family events and activities with musical entertainment.

In honour of our 80th Anniversary we showcased our region's local fare with a delectable wine pairing event—**Grapes & Grill & a Pioneer Tea**. The popular Grapes & Grill returns this year for its 4th Annual Event on Friday of the Fair—with local beef & sheep donated by Riverbend Orchard, The Brandon Family, Frolek Cattle Co, & produce from Desert Hills Ranch!

We hope everyone can come out and experience history taking place by either exhibiting in the fair or just coming down to the fairgrounds! We appreciate the great support we get from our fair sponsors, livestock buyers and 4-H clubs throughout the Cariboo and the Thompson-Okanagan Valleys!!

Welcome to the 2024 Provincial Winter Fair!

## PWF AWARDS & SCHOLARSHIP OPPORTUNITIES

### The Levere Livestock Ewe Lamb:

Is an opportunity for a current 4-H Sheep Member to win a ewe lamb for next year's fair! The winner is determined by Total Aggregate Points & A panel Interview!

### Levere Livestock Ewe Lamb

### Bud Hallstrom Memorial Award

The Bud Hallstrom Memorial Award was created to provide post-secondary financial assistance to current 4-H members and 4-H alumni who are exhibiting projects at the Provincial Winter Fair.

### Provincial Winter Fair Scholarship Award

The Provincial Winter Fair (PWF) Committee is pleased to announce an annual award in the amount of \$1000, thanks to the generosity of our sponsors and silent auction buyers. We are committed to presenting the award for the years (2022, 2023, and 2024), provided there are qualified applicants, and will reassess for future years based on sponsorship and the growth of the fund.

### The Hickey Family Citizenship Award

Thanks to the generous support of the Hickey Family.

The Citizenship Award will be awarded at the Provincial Winter Fair Sunday evening Banquet.
