

Community Service Movers

We are going places. Move with us.
www.communityservicemovers.com

Community Service Movers (CSM) provides cost-effective, professional, efficient and reliable moving services to individuals and organizations within our community. We treat our customers with respect and their property with care. CSM's dedicated and highly-skilled team works hard to make your moving experience as smooth and stress-free as possible.

- To be mindful of the personal value attached to the property we move.
- To offer professional and reliable service that is affordable and cost-effective.
- To keep the stress out of moving.

Individuals or organizations with limited financial resources are suitable candidates for our services.

- You are moving from a shelter or rooming house or need to transport items out of storage
- You have limited financial resources
- You are a Case manager, Ontario Works worker (OW), ODSP worker, Housing worker, or other professionals working with individuals who have limited financial resources.

All rates are based on individual income and moving distance. Moving expenses and payment method will be fully discussed before moving day.

Debit card, Master card, Email transactions are accepted also, Certified check, Money order and any payment from Ontario Works will be accepted.
