From Your Ministry and Personnel Committee

You will recall that for about 6 months we as a congregation have been searching for a part-time Children Youth and Young Adults worker.

The position was advertised. Two applications were received and both applicants were interviewed but the search team did not feel that either of the applicants was suitable for the position.

We were starting to wonder where we should turn next when two members of our congregation made a proposal that they would be prepared to combine their talents and together fill the position, taking on all the duties in the job description, with the sole exception of working with young adults.

The search team gave full consideration to the proposal and after interviewing both persons the position was offered to them and they accepted. The Church Council approved the appointment and they have already been carrying out the tasks needed to fill the position.

I am pleased to tell you that the Children and Youth worker team is Moira Dennis and Marcia Goodwin. I hope that you will all express your congratulations and support for Moira and Marcia when you have the opportunity.

Operationally Moira and Marcia will report to and be under the supervision of Pastor Beth.
