

CHANGE TIME IN iPECS eMG80

Using Station 100 – the main phone

(If you are unsure which is the main phone dial 0 from any extension, it should ring to the main attendant phone)

- Press TRANS / PGM DIAL 041
- Enter Date {YYMMDD} - Skip to Hold / Save if Date Correct
- Press HOLD /SAVE - *on some models this may be the Orange button*
- Enter time {HHmm}
- When Completed press HOLD /SAVE
- Lift and Replace the Handset

*Note: Where YY=Year {00-99}, MM=Month {01-12}, DD=Date {01-31}, HH=Hour {00-23}
mm=minutes {00-59} No Changes will be displayed during input of details, changes will only
be activated when HOLD / SAVE is pressed.*
