PUBLIC HEARING:

Dottie opened the public hearing for Steve McLean DBA SA Mclean Inc. for renewal of the Used Car and Equipment Sales Conditional Use Permit at 7:04 PM, she read a letter from an abutter Ronald A. Carroll opposing the renewal, Dottie closed the hearing at 7:05 PM.

MINUTES:

April 3, 2019 tabled until next meeting

CORRESPONDENCE:

None

NEW BUSINESS:

Aaron stepped down because he was not at the site walk earlier in the afternoon therefore abstaining from voting on the renewal.

For the renewal Dottie read the answers to the 16 conditions as presented to the Appeals Board and labeled "CEO Amended answers for the 16 conditions Rt. 5 Used Car Lot."

CEO Amended answers for the 16 conditions on Rt. 5 Used Car Lot

1. Is allowed in this district with a conditional use permit.
2. It will not generate any appreciable noise, vibrations, fumes, odor, dust, light or glare and will not affect the peaceful enjoyment of adjacent or nearby properties.
3. See 2
4. Will not result in hazards, a DOT entrance permit for subdivision/development has been granted. Ample room for parking and unloading.
5. The site of proposed use is cleared. Access Rt. 5 and will have fire extinguisher on site.
6. The parking lot and access ways have been in place for a long time. The site has never experienced drainage issues, flood damage or soil erosion. The proposed use has no attributes which could contribute to or cause ground or surface water contamination. Spill kit will be on site.
7. State DOT permit issued.
8. There is no structure involved, what minimal lighting will be aimed away (back lit)
9. There will be no structure on site. Area on left, right, and rear belong to owner.

10. State DOT permit issued enough room to turn around. Please see attached aerial photograph with scaling which shows the provisions made for vehicular and pedestrian circulation on this site.
11. If needed will make use of a portable toilet.
12. As explained above existing site improvements have been in place for a number of years, the site has not experienced any issues with erosion or sedimentation. The proposed use will not create any increased risk of erosion or sedimentation at the site.
13. As explained above existing site improvements have been in place for a number of years, the site has not experienced any issues with storm water run off or other draining problems. The proposed use will not create any increased risk of storm water run off or other draining problems at the site.
14. No buildings of food involved no need of water supply per CEO determination.
15. Not applicable no hazardous waste.
16. There will be no building or structures on this site that will not interfere with any scenic vistas or habitat.

McLean Review:

REVIEW:

Article VII – Conditional Uses

- A. A conditional use permit is designed for those uses, which may be permitted as a service to the community or for the benefit of the town's general welfare. The standards of this provision are designed to ensure adequate control of the location, design and operation of conditional uses.

- B. The Planning Board may approve an application for a Conditional Use Permit if the applicant demonstrates that the proposed use:
 1. Will meet the definition and specific requirements set forth in this ordinance for the specific use; Wendy motioned and Laura seconded the motion that based on the site walk this condition has been met.

Vote 3-0 In Favor

2. Will not have a significant detrimental effect on the use and peaceful enjoyment of adjacent or nearby property as a result of noise, vibrations, fumes, odor, dust, light, glare or other cause; Wendy motioned and Laura seconded the motion that based on the site walk this condition has been met.

Vote 3-0 In Favor

3. Will not have a significant adverse effect on adjacent or nearby property values; Laura motioned and Wendy seconded the motion that based on the previous conditional use permit this condition has been met.

Vote 3-0 In Favor

4. Will not result in significant hazards to pedestrian or vehicular traffic or significant traffic congestion; Wendy motioned and Laura seconded the motion that this condition has been met based on there being ample parking.

Vote 3-0 In Favor
