Annual Congregational Meeting Sunday, February 7, 11am

Given the restrictions on large in person gatherings, we will be hosting our annual congregational meeting on ZOOM (sadly, no soup and bun lunch this year). It will be held during the Sunday Fellowship Time on February 7.

The annual report will be sent electronically in advance of the meeting.

Report from the Covid-19 Protocol Development Team

"But those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint." (Isaiah 40:31)

Based on the recent guidelines and advice from the World Health Organization and from Canadian and British Columbia Health Officials, the indication is that the earliest the church will be meeting in person could be the final quarter of 2021 or first quarter of 2022.

Progress is being made, the vaccine will take many months to be distributed and this is the year for patience. We know there is hope and we will get there.

"What is a memory of a church service or gathering that brings comfort or a smile to you? "

Scouts January 9 Tree Chipping Fundraiser a Success

The Scouts had a good day for the tree chipping fundraiser they held on the church parking lot last Saturday. The rain held off and they raised \$475 for the group thanks to the volunteers and the chipping offered by Tomahawk tree services.

"Women in Leadership & Politics" A Conversation with Carole James 7:15 pm Tuesday, January 26, 2021

The Ethel Wilson Women's Group invites all women of the church to attend a Zoom conversation with Carole James, retired MLA and former Minister of Finance with the BC government. Carole will share with us from her personal experiences the value of women's leadership and ways to engage and support women. Carole would like us to be active participants in this discussion!
