IMPORTANT INFORMATION REGARDING COVID 19:

Due to COVID 19 Alberta Health has put in new regulations that will change our preschool program and how we operate. We will be adapting to these ongoing guidelines and changes to reflect the monthly situation in our province. Thank you to our parents for understanding the circumstances that are beyond our control. As we get closer to the start of the 2020-2021 school year, we will be able to share more information about what the day to day operations will be like at the Brooks Preschool. We will be in contact with our parents as needed.

We would be happy to answer any questions you may have about registration or our programs please call 403-362-0052 or email bpsteachers@brookspeschool.com

Thank you for your expression of interest in the Brooks Preschool
