

**EXPLORE TOGETHER:**

Pop some popcorn kernels in a pot one evening. Look at the kernels and let your child feel them before you place them in the pot. Pop the popcorn kernels. Discuss the differences between the unpopped and the popped kernels. Zacchaeus' heart was hard like the unpopped popcorn kernels before he met Jesus. After he chose to follow Jesus, Zacchaeus' heart was changed just like the popcorn kernels were.

**NEXT STEP:** Think about how Jesus changes hearts and lives.

**TODAY ADVENTURE KIDS LEARNED:** Zacchaeus' heart and life was changed because of Jesus.
