Message from the President

Hello, and Happy Summer to everyone.

After an eventful year, we've reached the month of June, and therefore the end of my term as President of the Chapter. I will be succeeded by Chapter President-elect Yves Savoie. Yves and I have worked together on ASHRAE business since we both attended the Young Engineers in ASHRAE Leadership Weekend in Fall 2009 in Atlanta. I have full confidence in his abilities to lead our Chapter and build on our previous successes.

Whatever success I have had personally as Chapter President has been completely dependent on the help I've received from the volunteers on our Chapter Board of Directors. These men and women scheduled our chapter meetings, arranged visits from dignitaries and distinguished lecturers, payed the bills, and did all the small day-to-day tasks required to run a local ASHRAE Chapter. It would not have been possible to do all these tasks on my own. I'm grateful for everyone's help.

I also want to continue to urge members to volunteer with both the Chapter as well as the Society. As described above, local members are essential to ensure a vibrant Chapter. The Society also requires volunteers to sit on Technical Committees, develop Standards and Guidelines, and craft Society policy. ASHRAE is a member-driven society. Everything we do is for the benefit of our membership, and input from members is thus incredibly important. If you are interested in volunteering at either the Chapter or Society level, please contact myself or Yves, and we can point you in the right direction.

I want to wish Yves and the rest of next year's Chapter Board of Directors the best of luck in running the chapter in 2018-19. I also want to wish the best to each of our Chapter's members, and hope you all have a relaxing and refreshing summer.

Rob Hoadley
Chapter President, 2017-18

CRC 2018

This year's Chapters Regional Conference for Region 2 is being held in **Windsor, Ontario!**

August 24th to the 26th Regional and Chapter Board members will meet at the Caesars Windsor Hotel & Casino for the annual business meetings. After orientation on Friday morning will be the Caucus Session, followed by the first Business Meeting after lunch, as well as technical tours and presentations for those not in the business meetings. For evening entertainment there will be "How to Gamble" lessons and a comedian!

Saturday will start with a business meeting, and after lunch individual Committee workshops will take place. This is a great resource for individual board members to learn from other chapter board members in their respective positions.

Sunday morning will be the last of the Executive sessions and business meetings.

For those accompanying their busy partners there will be plenty of opportunity for entertainment during the day. On Friday August 23 - Viewpointe Estate Winery for a Tour and a Wine Tasting while relishing the breathtaking view of Lake Erie's North Shore. Followed by a quick drive to Oxley Estate Winery for a delicious Lunch outdoors then enjoy a second Wine Tasting.

Saturday August 24 - Riverfront Tour - Start your morning off with a scenic walk along the Riverfront exploring Windsor's Sculpture Park and Coventry Gardens. Enjoy an early lunch at Fourteen Restaurant & Sky Lounge on the 14th Floor overlooking the Detroit River. Taste the heritage of Walkerville Brewery with a historical tour and beer sampling. End your day with a sightseeing River Boat Cruise explaining the cultural significance around the river.

For accompanying families:

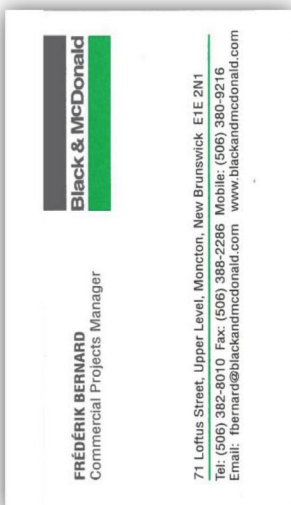

Friday - ADVENTURE BAY WATER PARK

Let your kid(s) have a blast at our indoor water park, featuring fun slides, a lazy river, a wave pool, an activity pool, splash zone, and more. Your children will not be disappointed and neither will their stomachs. A kid friendly lunch will be provided.

Saturday - ART GALLERY WINDSOR

Enjoy a Special Gallery Tour that will capture your child's interest. Let your child's imagination run wild and watch their creative brains work as they get a chance to create their own piece of art. A kid friendly lunch will be provided.

ASHRAE HVAC Design & Operation Training

2 Courses, 5 Days of Intense Instruction

Atlanta ● Columbus ● Denver ● Dubai

HVAC Design: Level I – Essentials - Registration is \$1,264 (\$1,009 ASHRAE Member)

Gain practical skills and knowledge in designing and maintaining HVAC systems that can be put to immediate use. The training provides real-world examples of HVAC systems, including calculations of heating and cooling loads, ventilation and diffuser selection using the newly renovated ASHRAE Headquarters building as a living lab.

HVAC Design: Level II – Applications - Registration is \$854 (\$699 ASHRAE Member)

HVAC Design: Level II — Applications provides instruction on HVAC system design for experienced HVAC designers and those who complete the HVAC Design: Level I – Essentials training. The training provides information that allows practicing engineers and designers an opportunity to expand their exposure to HVAC systems design procedures for a better understanding of system options to save energy.

Visit www.ashrae.org/hvactraining to register and learn how your Chapter can earn PAOE points.

Contact Karen Murray (kmurray@ashrae.org) to discuss scheduling ASHRAE HVAC Training in your Chapter area.
