

KNOX®

When seconds matter™

Limerick Fire/EMS Department subscribes to the Knox Box System. Upon arrival of department apparatus, it allows emergency access to a building without damaging property while maintaining your security.

**For additional information, please contact:
Chief Jason Johnson or Assistant Chief Adam Mason**

The Limerick Fire/EMS Department has a “Refrigerator Card Program”. By completing this card you are making your medical information readily available to emergency responders. This helps us provide your medical care more efficiently.

Cards are available at the Town Office and Fire Station
