MARLENE MAE MCINTYRE SCHOLARSHIP FOR INDIGENOUS STUDENTS

2023

Overview

- i** Federal Wireless Communications & Williams Communication Services are Mission Critical/Operation Critical Public Safety Communications providers. We are 100% Indigenous Owned businesses who are proud to offer a targeted scholarship for Indigenous Students in honour of our proprietor's mother. As a proud indigenous family, it is the goal of Federal Wireless Communications & Williams Communication Services to nurture and support the educational and professional growth of students and young adults within the Indigenous Community

Scope

- i** Federal Wireless Communications & Williams Communication Services will offer a targeted scholarship in the sum of \$2500.00 per student to two Indigenous students within Ontario pursuing an education in one of the following fields of study.

Wireless Communication Systems; Professional Engineering; Business and Project Management

Application Process

- i** All applicants will need to submit the Application Form by the indicated date. Students are also welcomed to include with their submissions a video file, YouTube link or Digital File

Submissions will be reviewed by the Board of Directors and successful candidates will be notified directly.

Submissions to be sent to: pmcintyre@williamscom.on.ca

Promote

- i** To promote the scholarship, we plan to connect with high schools, universities, and colleges. Advertisement on our company website and Social Media platforms; with APTN News and other

— A proud member of —

local Indigenous publications. We will also work with Scholarships Canada to link, market, and promote the scholarship opportunities.

Recipients

- i** Recipients will have the choice of receiving a cheque or having the monies sent directly to a specific school on the recipients' behalf.
